THE RETIRED OFFICERS ASSOCIATION

Our Sister Unit, The Keystone Capital Chapter, The Retired Officers Association has scheduled a dinner meeting at 6:00 p.m., March 1, 1979, at the Officers' Club, New Cumberland Army Depot.

The British Broadcasting Company film documentary, "The Cold Deep War", dealing with the Soviet submarine threat in the Atlantic will be shown after the meeting. This one-hour film is on loan to them from the Association of former Intelligence Officers and has been viewed, at their request, by both the Atlantic and Pacific Fleet Commanders. Admiral Isaac Kidd, USN(R) is one of the narrators. Plan to attend now. It is an excellent film which will give you a better prospective of what our Navy is up against and why the Administration plans to spend more defense dollars.

Call Joe McCarthy, 787-9665 or Randy Welch, 787-9694 for dinner reservations. Reservations not required if you plan to attend only the film documentary.

COMMENT

Sorry about the delay in publishing this newsletter but the question of our V.I.P.'s appearance, because of the current world's situation was the deciding factor.
